BOWLING INFO

All we need is you.

We'll provide the bowls, mat, jack and a demonstration outlining how to bowl and conditions of play.

8 players per rink can bowl at once. We accept bookings of up to 16 guests per rink if you are happy to rotate your bowlers.

Have a question?

Visit our [Bowling FAQ](#) page on our website.

BEVERAGE AND CATERING OPTIONS

Our bar is open for all barefoot bowls bookings and you are welcome to hire a BBQ and cook your own. Or if you would like to leave it to the professionals, we recommend using our partner caterer Spitting Image.

External caterers are also welcome at the Club if they meet our sustainability guidelines.

Check out our [Food & Drinks](#) page on our website for more details.

We're doing our bit for the environment so no disposable plates and cutlery are permitted at the Club.

Please visit our [website](#) for more details.

SEATING ARRANGEMENTS

We like to ensure everyone is comfortable on the day so all our groups are allocated a seating area adjacent to their bowling rinks. You get about 10 seats per rink, so if you need more seats just book more rinks, but remember you'll be bowling most of the time anyway.

Seating is outdoors, but we have lots of cover for all seasons. Please remember that your allocated seating is only available during your booked session time. Coming earlier or staying later needs to be organised with the office.

EVENT ROOM HIRE

For groups of 60-150 we recommend you hire our Eventroom. This provides an air-conditioned, indoor space with ample seating and a private bar.

Please see our [Events](#) page on our website for more details and pricing.
